Press Release

Milan - Hong Kong, 16 January 2012

MITTEL CORPORATE FINANCE AND PALAZZARI & TURRIES – COOPERATION AGREEMENT

Mittel Corporate Finance S.p.A., a company of Mittel Group specializing in M&A and grant advisory, has signed a cooperation agreement with **Palazzari & Turries** Hong Kong aimed at supporting companies in the access to subsidized financing, alternative or complementary to the traditional banking funding, granted by national, international and super-national institutions in connection with internationalization projects in Asia.

With this cooperation agreement – explains Andrea Stoffella, Head of Grant Advisory Department of Mittel Corporate Finance – we intend to strengthen our market coverage and penetration, being sure that Palazzari & Turries will effectively contribute to create new professional opportunities thanks to his over ten-year presence in Asia”. “The unique experience of Mittel Corporate Finance in grant advisory – states Federico Palazzari, partner of Palazzari & Turries – shall become increasingly important in supporting the expansion strategies in Asia of our European customers.” Grant advisory transactions recorded a significant growth in recent years as a result of the increased resources made available by the European Union and other international and super-national institutions. The expectations for the future indicate a further development of these financing tools as a source of additional funding to the traditional banking system, with the aim of supporting the internationalization and research and development projects of the companies.
