Headline : ST Design seeks strategic investors and partners for global expansion

Main body : ST Design, a Hong Kong-based professional interior design company, is seeking strategic investors and partners to expand operations and client base worldwide, particularly in China, founder and creative director Stefano Tordiglione told *Mergermarket*. The company has appointed Palazzari & Turries as a financial advisor. The studio provides multi-disciplinary professional interior design and architectural services in the areas of retail, hospitality, office and residential. ST Design has completed more than 100 projects for clients such as Brooks Brothers, Reliance, New World Development, and Dinh Van. It designed numerous private luxury estates in Hong Kong, China, India, Vietnam, US, Austria, Italy and France.
